Plot with 2 houses - 1030 m2 - Porto da Cruz

Exceptional plot of land located in Porto da Cruz, Machico, on the stunning island of Madeira. With a total area of 1030 square meters, this land offers a unique opportunity for investment in the local accommodation market. One of the main features of this plot is its privileged view of the northern coast of Ponta de São Lourenço. The breathtaking natural surroundings provide a stunning landscape and a peaceful environment for future guests to enjoy. The land encompasses two traditional dwellings, making it an ideal setup for a local accommodation business. One of the houses is a three-bedroom (T3) property, while the other is a two-bedroom (T2) property, allowing for a variety of accommodation options for visitors. While there is road access to the bottom of the property, it is not possible to drive directly to the houses. This ensures a tranquil and traffic-free atmosphere, contributing to the privacy and exclusivity of the guests. The location in Porto da Cruz, a charming coastal village, offers guests the opportunity to explore the rich local culture and enjoy the nearby beaches and outdoor activities. The mild climate of Madeira is an additional attraction for tourists seeking relaxation and appreciation of the region's lush nature. This plot of land is an excellent opportunity f
