Located on one of the most emblematic streets of the coveted Salamanca neighborhood, this magnificent property at Calle Hermosilla 59 represents the perfect combination of luxury, design, and comfort. Completely brand new, this apartment has been renovated to the highest standards to offer an incomparable living experience.

With three spacious bedrooms, each with an en-suite bathroom, this home guarantees privacy and comfort for the entire family. It also has an additional fourth bathroom for guests, adding an extra touch of functionality.

The main living room, bathed in natural light thanks to its large windows, offers an elegant and welcoming space for relaxing or entertaining. Its layout optimizes the space, clearly differentiating the social areas from the private areas.

The kitchen, with a modern design and equipped with state-of-the-art appliances, is a true delight for those who enjoy the culinary arts. The high-end finishes, combined with a practical layout, make it a space that is as functional as it is aesthetically pleasing.
