If you are looking for a balance between peace and convenience, living in Rua do Esteiro da Quebrada, in Montijo, is the right choice!

In addition to being close to the center of Montijo, the area offers easy access to natural areas, such as the Tagus Estuary Nature Reserve, perfect for bird watching and quiet walks.

Montijo is known for its excellent connection to Lisbon, especially with the nearby river terminal, which quickly connects to the capital. It also has quick access to the main roads, such as the A33 and the Vasco da Gama Bridge.

Montijo has been growing as a sought-after residential area, with a dynamic real estate market. The location is an excellent opportunity for investment, especially considering its potential for appreciation.

Come and see this property and let yourself be enchanted! Schedule your visit now!
