T1+1 House in Meadela with Panorâmic Views

Charming house with panoramic views of the city of Viana do Castelo, located in the parish of Meadela.

This fully renovated opportunity, situated at the top of Meadela, features an equipped kitchen, a spacious living room with open views of the city, a full bathroom, and a bedroom on the ground floor. It also includes a mezzanine used as a bedroom, with a built-in wardrobe and a full bathroom with a shower.

Outside, you will find a patio with a garden, a barbecue area, and storage space, once again offering stunning panoramic views of the city.

The house was renovated about 10 years ago, already benefiting from external insulation (capoto), aluminum window frames with double glazing, and additional rock wool insulation. As a result, it has recently been given an energy rating of B. Located just 5 minutes from the city center, it offers all the necessary conditions for a high-quality lifestyle.

Don't miss this opportunity—schedule your visit today!
