RENOVATED SEMI-DETACHED HOME

Tucked within the peaceful surroundings of the prestigious Pinheiros Altos resort, next to Quinta do Lago, this beautifully renovated semi-detached home offers a relaxed and effortless style of living.

Thoughtfully redesigned with contemporary finishes and a warm, welcoming feel, the villa unfolds across two floors, with light-filled interiors that connect naturally to the outdoor spaces. At the heart of the home, a central courtyard draws sunlight deep into the living areas, creating a bright and airy atmosphere throughout the day.

The main living and dining space opens directly onto the terrace and private swimming pool, making everyday living feel seamlessly connected to the outdoors. Whether it is long summer lunches by the pool, quiet mornings with coffee in the sun, or evenings entertaining friends after a day on the golf course, the home is designed around an easy sense of flow and comfort.

The kitchen is fully fitted with Siemens appliances and positioned to remain connected to the social areas of the house, balancing practicality with contemporary design.

Upstairs, the property offers three spacious bedrooms, including a principal suite. The additional bedrooms share a family bathroom, while a guest cloakroom on the ground floor adds convenience for visitors.

Set within one of the Algarve's most established golf communities, the property enjoys a privileged position close to championship golf courses, nature trails, restaurants and the coastline, with the beach just a short drive away. Faro Airport is also easily accessible, making the home equally suited for permanent living, a holiday retreat or an investment within the Golden Triangle.

This is a home that feels immediately comfortable, refined yet relaxed, contemporary yet welcoming, perfectly suited to the lifestyle that continues to draw buyers to this exceptional part of the Algarve.
