Land for Housing Construction

Land for housing construction
With an implantation area of about 408m2 and 4 floors (including basement)
This project includes spacious and modern spaces, ideal for families looking for quality of life in areas of full growth.

Highlights:
- Project for 5 T2 apartments and 3 T3 apartments
With balconies and very generous interior areas;
- Private parking for each fraction;
- Excellent access to the city of Porto with only 5 minutes away;
- Surrounding areas with hypermarkets, schools and other services, less than 3 km;

Excellent opportunity for developers and/or investors with a project that values comfort and leisure in a modern and exclusive environment

Don't miss this great opportunity
