3 +2 bedroom villa high on a plateau with stunning views of Viana

Experience the Charm of the Countryside at the Gates of Viana do Castelo

There are houses that welcome... and there are houses that embrace. In this renovated 3+2 bedroom villa, time slows down, the days become lighter and each window opens to a living picture, where the river meets the city and nature extends to the mouth of Viana do Castelo.

 The large garden and its lawn invite you to the quiet of lazy mornings, long lunches outdoors and golden evenings where you can only hear the wind in the trees and the singing of birds.

 Inside, every detail has been designed for a slower and more comfortable lifestyle, with finishes that combine simplicity, elegance and functionality.

 The ground floor offers a natural fluidity between the cozy kitchen, the living room, the dining room and a complete bathroom, creating a space where conviviality is king and everyday life is lived with pleasure.

 On the first floor, three bright bedrooms, a serene office and a large bathroom complete this ideal haven
