6 bedroom villa in Bairro Novo Figueira da Foz (Ideal for investment)

Do you want an authentic Architectural Treasure in Bairro Novo?

In the heart of Bairro Novo, one of the most prestigious areas of Figueira da Foz, we found this extraordinary villa of old design, where history merges with the comfort of modern times without losing the charm of the period.

Ideal for those looking for a house with soul, charm and a privileged location, whether to live or to invest.

The rooms all have a private bathroom so that you can transform this villa into a space for tourist exploration in one of the noblest areas of the city, or so that your family can live in comfort adapted to today.

The floors, stairwells and balconies are built with exotic woods, which give a touch of refinement and comfort to the whole house.

The rooms of the house are equipped with Air Conditioning and windows with double glazing and thermal
