3 Story Villa to Renovate in the Heart of Porto

Nestled in the heart of Porto, this charming 6-bedroom, 3-bathroom building is the perfect blend of modern convenience and historic charm. With a spacious house area of 244 square meters and a generous land area of 85 square meters, this property offers plenty of space for both living and entertaining.

Built in 1971, this used building boasts three floors, providing ample room for a growing family or a savvy investor looking to capitalize on the central location. The property is being offered for sale fully furnished, making it move-in ready for its new owners.

The building's main drainage, central location, and energetic certification of D add to its appeal, while its solar orientation to the north and south ensures optimal natural light throughout the day. With mains water and gas connected to the main grid, convenience is at your fingertips.

Step outside and discover the vibrant neighborhood of Porto, where a plethora of dining, grocery, and entertainment options await within a 15-minute radius. From Korean cuisine at Ondo Korean Kitchen to Japanese fare at Izakaya, and local produce at Feira dos Passarinhos, the culinary experiences are endless.
