A LINKED VILLA | THE RESIDENCES

The Residences Vale do Lobo introduce a remarkable new chapter within one of the Algarve's most iconic resorts. As the first new residential development to be unveiled in Vale do Lobo in more than two decades, this exclusive collection of just 44 contemporary residences, including 10 linked villas, offers an opportunity to own a brand-new home in one of Europe's most prestigious coastal destinations. Designed by the internationally renowned architectural practice Broadway Malyan, the development seamlessly combines striking contemporary architecture with the natural beauty and enduring appeal of its surroundings.

Positioned alongside the acclaimed Royal Golf Course, these exceptional linked villas have been thoughtfully designed to embrace modern resort living while providing privacy, space and connection to the landscape. Clean architectural lines, expansive glazing and beautifully landscaped surroundings create an atmosphere of understated sophistication, all within moments of championship golf, golden beaches, acclaimed restaurants and the exceptional lifestyle that has made Vale do Lobo one of the Algarve's most sought-after destinations.

Arranged across multiple levels, this contemporary four-bedroom linked villa has been designed to maximise natural light and effortless indoor-outdoor living. Expansive open-plan living areas flow naturally onto spacious terraces, a beautifully landscaped private garden and swimming pool, creating inviting spaces for both relaxed family life and elegant entertaining. From its elevated position, the villa enjoys tranquil views across the surrounding golf course and neighbouring lake, enhancing the sense of peace and exclusivity.

The accommodation comprises four generously proportioned ensuite bedrooms, each offering privacy and refined comfort, complemented by a guest cloakroom. The versatile lower ground floor provides flexible multi-purpose spaces that can be adapted to suit individual lifestyles, whether as a home cinema, gym, games room, wellness area or additional family accommodation. Every detail has been carefully considered, balancing premium finishes with contemporary elegance and practical functionality throughout.

Outside, generous terraces provide the perfect setting for alfresco dining and entertaining, while the private swimming pool and landscaped gardens create a secluded retreat to enjoy the Algarve's year-round climate. Private parking and secure storage further enhance the practicality of the home, making it equally suited as a permanent residence, an exclusive holiday retreat or a secure long-term investment.
