Refurbished 3 Bedroom Apartment with Terrace in Bragançacom

This 3 bedroom apartment has been completely refurbished and thought out in detail to offer comfort and modernity.
As soon as we open the door, we have a magnificent living room and kitchen in a very large open space with access to a deliciously inviting terrace, to enjoy reading a book, a family barbecue, socializing with friends, whatever your imagination and preference allows.
Continuing through the apartment we find three large bedrooms, one of which is a suite, all with built-in wardrobes, a full-service bathroom, a pantry and a storage room with washing machine and boiler.
This apartment is endowed with spectacular natural light as it has three fronts, has electric shutters for greater convenience and is located in a very quiet area of the city, perfect for those looking for tranquility without giving up proximity to services and access.
A ready-to-live-in apartment, which combines functionality, design and well-being.
