Just a few minutes from the center of Barcelos, this 3 bedroom apartment stands out for its generous areas and excellent natural light, provided by its two fronts, large balconies and glazed openings.

With a gross area of 157 m², the property is functionally distributed in a large living room, equipped with a stove and direct access to a balcony overlooking the urban surroundings. The kitchen, furnished and equipped with hob, oven, extractor fan, dishwasher, refrigerator and water heater powered by natural gas, also has natural lighting and access to a complete and renovated bathroom, to support the social area.
