Homes by the sea in Calpe

A few steps from Arenal beach and next to the natural environment of Las Salinas, this development offers a way of experiencing the Mediterranean coast with a balance between comfort, location and functionality. The complex consists of two residential towers with 2, 3 and 4 bedroom homes, designed to take advantage of natural light and the relationship with the outside. The large terraces allow the interior space to be extended and accompany the rhythm of life typical of the area, where the climate and the environment invite you to enjoy the outdoors all year round. The project incorporates common areas designed for real use: swimming pool for adults, children's pool, rest areas, gym, paddle tennis court and shared spaces. All this within a residential complex that combines privacy with services, facilitating both holiday use and habitual residence. Location is one of its main values. Within an immediate radius are beaches, ports, restaurants, shops and services, which allows daily life without the need for long journeys. Calpe also maintains a recognisable identity on the Costa Blanca, with...
