Exceptional Apartment in La Nucía

Allow yourself to discover a unique residential proposal in the heart of the Ciudad del Deporte in La Nucía. This set of apartments stands in a privileged natural environment on the Costa Blanca, designed for those who value connection with the environment without sacrificing comfort and functionality. The homes, available in 2 and 3 bedroom configurations, feature contemporary architecture. Enjoy spacious terraces, ideal for experiencing the Mediterranean climate, and bright interiors where open day areas merge with equipped kitchens. The penthouses have a private solarium, offering exceptional views of the valley. The complex complements the experience with a communal swimming pool, fitness room and garden areas for recreation, taking advantage of the more than 300 days of sunshine per year. Its location is unbeatable. Just 5 minutes from the centre of La Nucía, you can access all daily services. The proximity to a future shopping centre adds practicality. In 15 minutes you will reach the beaches of Benidorm, in 20 the picturesque Altea, and in 30 the vibrant Alicante. Alicante-Elche Airpo...
