Excellent Plot of Land for Construction – Guimarães (Ponte)

We present this fantastic 530 m² urban plot, located in Guimarães, in the parish of Ponte, ideal for those looking to build in a calm, safe environment with good accessibility.

It is situated in a residential area, on a street with excellent access and infrastructure. The available space allows for the construction of a villa with generous areas, a garage, outdoor spaces, and a functional layout separating social and private zones.

Ideal for:
 Building your own home
 Customized architectural project
 Real estate investors and developers
