3 Bedroom Villa, Detached, with 3 floors, Double Garage and Garden

We present this 3 bedroom detached house, built in 2012, located in the prestigious Rua da Agra Nova, in a quiet and residential area of Póvoa de Varzim with excellent accessibility. Inserted in a plot of 369 m², this villa stands out for its generous areas, the excellent quality of construction and the functionality of its 3 floors (plus attic).
With 254.20 m² of gross private area and 135.20 m² of dependent gross area, it offers a set of large and bright spaces, perfect for those looking for comfort, privacy and quality of life.
Among its finishes and equipment, the Afzelia solid wood floor, the marble coating in the WC's, the electric shutters, and the central heating and hot water system through independent heat pumps stand out, ensuring energy efficiency and comfort in all seasons.

Ground floor
• Large and bright living room
• Independent kitchen, laid by the "Santos" company, in marine plywood and silestone cladding. Delivered equipped with hob and extractor hood
• Direct access from the kitchen to an outdoor terrace, ideal for al fresco dining
