House for Rehabilitation in Ereira with Patio!

Do you want a house with good potential in Ereira, Montemor-o-Velho?!

Come and visit this old house with 2 floors, built in 1939, located in the heart of Ereira.

This villa is equipped with a private patio and a generous area, with excellent potential after renovation.

The property stands out for its traditional character, with good structural capacity, making it ideal for those looking to create Local Accommodation, hostel or guesthouse, or for a generously sized residential project.

Property located in the central area of Ereira and in a quiet area close to tourist attractions in the region – River Beach, Montemor-o-Velho Castle, Figueira da Foz Beaches...

This property offers the possibility to create a unique project, taking advantage of the historical heritage and the growing demand for tourist accommodation in the region.
