Binghatti Ghost – Luxury Studios in Al Jaddaf, Dubai

Binghatti Ghost rises as an icon of elegance and modernity in Al Jaddaf, Dubai, where its imposing glass façade reflects innovation, luxury and timeless sophistication. This exclusive development has been designed to offer its residents an unparalleled residential experience, where every detail inspires comfort and high-end lifestyle. The project offers carefully designed apartments, from studios to 1, 2 and 3 bedroom units, designed to maximize natural light, the spaciousness of the spaces and the functionality of each residence. The interiors stand out for their premium finishes, high-quality materials and a design that combines modernity with warmth, creating an elegant and welcoming atmosphere. Binghatti Ghost also offers luxury amenities in its common areas and an iconic rooftop, where residents can enjoy panoramic views of Dubai, in a private and exclusive setting. With prices starting from AED 888,888, this property represents a unique investment opportunity in Dubai, with high potential for profitability and appreciation in a prestigious building, located in one of the most strategic...
