Caldas da Rainha Warehouse

Warehouse located in the prestigious Industrial Zone of Caldas da Rainha, currently deactivated and in need of some slight improvements, offering high potential for various industrial, logistical or commercial activities.
The property is developed on two floors:
• Ground floor: large nave intended for manufacturing or storage, equipped with loading and unloading dock, exhibition or sales area, public and private sanitary facilities, storage area and cafeteria.
• Upper floor: intended for offices, reception and a large exhibition area, providing ideal conditions for administrative and commercial support.
Main areas and valences:
