Zante Apartments in the Finca Golf Resort

In the heart of La Finca Resort, one of the most exclusive and desired destinations on the Costa Blanca South, ZANTE is born, a new development that redefines the concept of well-being and sophistication. Surrounded by a privileged natural environment and a prestigious golf course, ZANTE is part of the elegant Aegean Sea Residential, an enclave where tranquillity, contemporary design and the Mediterranean lifestyle merge perfectly. Here, each day begins with sunlight bathing wide open spaces and ends with sunsets that invite you to disconnect. The apartments, available in 2 and 3 bedroom configurations, have been designed to offer a unique experience. Modern lines, open spaces and large windows create bright homes that connect the interior with the exterior. The ground floors enjoy private gardens, while the penthouses have spectacular solariums where you can contemplate the landscape and the open sky. The kitchen, in a modern style and equipped with high quality materials, is naturally integrated into the living room by means of an elegant breakfast bar, generating an ideal atmosphere to sh...
