1 bedroom apartment under construction.

Development under construction with expected completion date for summer 2020. The GARAJAU RESIDENCE development is divided into two blocks, and will have 60 apartments, 30 apartments per block, T1, T1 + 1, T2, T2 + 1 and T3. In public areas is provided also a recreation area with playground, plants, grass and other landscape features that transform outdoor spaces and outdoor living. It has good and quick access to the center of Caniço, Promenade and Reis Magos Beach and also the best services of Garajau, such as pharmacy, pastry shops and restaurants. Its geographical location also allows you to enjoy moments of leisure and outdoor sports provided by nature (Land and Sea) - Viewpoint of Cristo Rei and Reis Magos Beach.
