Welcome to the beautiful Eastern Algarve, where tradition and modern living meet. We are delighted to present to you a stunning villa, built to the highest standards by a quality craftsman in 2009. This well-located home is just outside a very traditional village in the Sotavento region, providing spacious and comfortable accommodation for a discerning buyer.

This villa provides two levels of living area and a large basement that would be ideal for an office, gym, or any number of uses. As you enter the house on the ground floor, you are greeted with an entrance lobby, sitting room with snug area, dining room that is open into a fitted and equipped kitchen, a separate laundry room, a family bathroom, and a double bedroom. The first floor offers a further two double bedrooms, each with private facilities. Of the two, the master bedroom also has a walk-in dressing room and a large private terrace that looks down over the gardens and pool area.

This villa is not isolated, but located at the edge of a small group of houses, ensuring total privacy. With other select villas in the area, this property offers convenience and live-in comfort, with breathtaking views of the surrounding landscape. The villa has been constructed with a demanding client in mind, and the workmanship and attention to detail are evident throughout.
