A beautifully presented villa featuring 3 to 4 bedrooms, situated on a fenced plot of 3,920 m² with a double garage, pool, and irrigated gardens. This two-story villa offers a covered area of 210m².

The property provides excellent access via a local tarmac road leading to a private driveway with a double garage. The ground floor includes a covered terrace with the main entrance opening into a hall, a laundry/pantry, and a very spacious sitting room with a dining area. The open-plan kitchen is fitted and equipped, while the sitting room boasts a wood burner and two sets of sliding doors that open to a covered terrace overlooking the pool. Additionally, the ground floor features a shower room, two double bedrooms, and a small study that could serve as a child's bedroom. The first floor houses the spacious master bedroom, which includes an en-suite bathroom and a private, partially enclosed covered terrace.

This property also includes a private borehole, 170 meters deep, and a 20 m³ cistern along side with the local authority mains supply. Significant investments have been made in the past couple of years, including the installation of 11 photovoltaic panels, a new electrical system, and new windows and doors.
