This spacious 3+ bedroom country villa, complemented by a large pool and an adjoining garage conversion featuring a 4th bedroom with a walk-in closet, is set in a serene and private location close to Moncarapacho.

Nestled in a sparsely populated rural area, the property enjoys a tranquil setting among private homes spaced generously apart, offering privacy and a peaceful lifestyle. Accessible via a dirt track that remains in reasonable condition and serves only one other property further on. The surroundings are characterized by small fruit plantations and natural wild bushland.

Built in 1985, the villa offers three double bedrooms, a cozy sitting room with a wood-burning stove, and access to a spacious covered terrace overlooking the pool. The home also includes a functional kitchen and two shower rooms. Attached to the main building, the converted garage serves as a versatile fourth bedroom with a walk-in storage area, perfect for creating an en-suite bathroom while maintaining ample closet space.

Although the property would benefit from some updating and renovation, it holds excellent potential as a delightful family home with generous indoor and outdoor spaces. Alternatively, it could be transformed into a highly attractive rental property.
