Beautifully presented 2+ bedroom villa in a natural plot of over 7,000 m², sea views, "pool" and pond in the popular Ria Formosa area of East Algarve.

Situated along a quaint dirt track near the coastline and the charming towns of Fuseta and Olhão, this property enjoys a serene location within the Ria Formosa nature reserve. Set privately at the centre of a spacious plot, it features a variety of native plants that thrive with minimal maintenance. On the south side of the house, a beautifully tiled water tanque adds charm, while a generously sized pond on the west side enhances the tranquillity of the outdoor space, making it an ideal setting for family relaxation and enjoyment.

The ground floor offers a welcoming entrance hall, which could be converted into a small bedroom if desired. There's a well-equipped kitchen with a dining area, a master bedroom with a walk-in closet and ensuite shower room, a large living and dining room with a wood burner and terraces to the South and West. An additional sitting room, also with a wood burner, this could also serve as a bedroom and it includes an en-suite shower room and a small closet/storage room. Additional rooms on this level include a laundry room and a technical room. Part of the roof terrace has been enclosed, creating an additional room with a small adjoining space featuring a WC and wash basin, access is achieved by an external stair case to the roof terrace.

Adjacent to the main house is a carport / woodstore, along with an outdoor shower room and a workshop, providing convenience and extra functionality.
