Villa Tabua - ultimate sea view

Villa Tabua is inserted on a cliff, in the first sea line, in the natural reserve of Ribeira Brava, offering unobstructed and definitive sea views. Access to the house is made through a dead end road, being therefore a very quiet area. This 3 bedroom villa is distinguished by the large outdoor areas, which allow you to enjoy the sunrise and sunset, the garden with fruit trees and irrigation system, the equipped steakhouse, the jacuzzi and heated swimming pool. Excelling for the construction of quality, this property is distributed as follows: On the ground floor, garage for two cars (being able to park two others outside), engine room and access to the upper floor, through interior and exterior stairs. On the first floor, a large living room, with 39m², with two distinct environments, living and dining area, which provide direct access to the outdoor area and stunning views; and an equipped kitchen with quality appliances. The second floor consists of three bedrooms - one of them en suite, with access to a balcony completely facing the sea - with built-in wardrobes and also a full bathroom. On this same floor, there is a porch and garden with banana plantation, at the back of the house. This property offers good access to the expressway, located at 20 minu

General features

- Pool
- Built year: 2019
